RE: Patent # 5918323

November 13, 2012

Dear Patent Office:

I previously wrote your office in reference to receiving an application to submit for the file pertaining to the patent designated above. That letter was sent to you on October 19th, 2012. This is a similar request.

I would like to receive an application to fill out so that I can obtain this file as a member of the public. I did not receive any response to my previous request, which has necessitated this follow-up.

If you are unable to fulfil my request please let me know what avenue I should take in this matter.

Your cooperation and assistance in this matter will be greatly appreciated. Thank you for your time. Please respond at your earliest convenience.

Signed this 13 day of November, 2012.

Sincerely,

Anthony "Anthon" Smith
